Design/Décor:

Inside Park Terrace, a famous dining and entertaining venue, has an elegant, tropical feel, enhanced with umbrellas and palm trees, and a large circular bar area near the Park Avenue entrance. This ideal al fresco space provides a rare city piazza-like escape that ensures good times and happy memories.

Inside Park at St. Bart's is a stunning venue with its soaring, 30-foot ceiling; intricate, old-world stenciling; huge stained glass windows; dramatic lighting and dark wood floors. The room was originally the Great Hall of the Community House of landmark St. Bartholomew's Church, and has hosted community events and celebrations for almost 100 years. Recently refurbished and updated by master craftsmen, it is an ideal venue for contemporary special occasions and business events. It also has a Raised Gallery with a 20-foot projection screen that serves as a very private space for small group functions.

"Secret" Cloister Garden is a small, very private outside courtyard "hidden" inside the walls of St. Bart's. Lush foliage and sculpture make this an ideal interior garden spot for an intimate party or cocktail reception.

Third Floor Reception Room and Terrace are perfect spaces for any size event. Adjoining rooms with hard wood floors, beamed ceilings and a gorgeous terrace overlooking Park Avenue offer the perfect setting for meetings or social events with receptions. Interior rooms can be sectioned off for a quiet, away from it all space for all types of functions.

Additional Services: Audiovisual and other technology requests, floral arrangements, entertainment and special needs to be discussed upon request.
